

Thank you for supporting our programs! We wanted to share this thank you note from a family, activities like this would not be possible without your support.

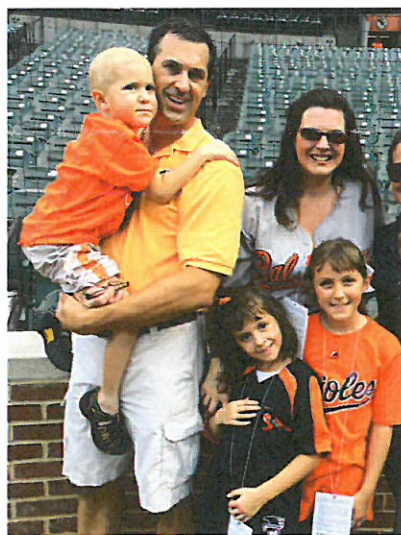

I don't know how to thank you for the wonderful weekend that we enjoyed at Marigot Beach Suites in Ocean City. The condo was amazing! The view was breathtaking! We have never been able to stay at such an incredible place. Kaylah enjoyed the hot tub, then the flat screen TV came in a close second. The weather was just lovely. Kaylah was even able to go swimming in the ocean for a short time. We even saw a couple taking their bridal pictures on the beach. We enjoyed the hospitality at Sunset Grille, we could not have enjoyed an evening any more than we did at that restaurant. We also had a wonderful lunch at BJ's on the Water. It was a terrible day for weather, but the warmth of the staff surely made up for it. Kaylah was invited to go outside and feed the ducks and she met Waddles. It made her day that he ate corn right out of her hands.

I cannot express our gratitude, you will never know how much this means to our family and how grateful we are. It is because of wonderful people like you that make it possible for a family that has suffered such a devastating loss to enjoy a time out without worries. We were able to add to the memories we shared with Alexandria at the beach. Ocean City was her favorite place to visit. You may never understand how the little things in life mean the most to others. I am glad that with Casey Cares Foundation, there are moments for children and families to be able to escape their ailments, even if it just for a short time.

Thank you so much for supporting Casey Cares. Below is a heart felt thank you note from one of our families. It's because of donors like you that we are able to provide these smiles and memories to over 600 critically ill children and their families.

Dear Casey Cares,

There are no words that can describe how much fun, joy, laughter, hope, love and spirit we were given and experienced last night! The photos are on there way, I mailed you some copies today. But I first wanted to put into writing how much joy you brought to our family and my sweet 4 year old son who was diagnosed with leukemia only 6 short weeks ago. He can't walk because of the rough neuropathic side effects but, before the game, at home he stood on his own for the first time in weeks because he knew "he had to be strong and stretch his legs like the Orioles players do." AMAZING that because of you my little boy was inspired! He loves the Orioles & watches them on TV with Daddy all the time. Meeting Buck was incredible! He is still talking about it! Thank you for the great seats, it was the perfect way to enjoy being together as a family. Andrew's sisters loved their goody bags! You are all amazing and thank you from the bottom of our hearts!
