Stephanie, I was both stunned and overwhelmed by the generosity of CEM in funding our grant request. Be sure that we will use your support to make a difference in the lives of mother's, father's and children in our community who are experiencing homelessness. Your donation will allow us to provide 930 bed nights to eligible clients. Believe me when I tell you this will change the future for some of the clients in our program.

Again, thank you for your support of Harford Family House.

Joyce Duffy
