Dear Ms. Hau:

Congratulations on being named one of the "2010 Top 100 MBE's" in Maryland. I applaud your efforts to fuel the region's economy through innovation, sacrifice and perseverance.

It is my understanding that your company was scored on several factors: success and originality in business, involvement in professional and business organizations, and the breadth of community involvement. Dear Ms. Hau:

Congratulations on your recent selection as one of the Top 100 MBEs in Maryland. What a stunning affirmation of your lifelong professional accomplishments and service to our community. Enjoy the limelight you so richly deserve.

My friend, you have prevailed over many other applicants to be chosen for this coveted distinction. Selected on the basis of your business achievement, demonstrated leadership, community advocacy and the willingness to mentor, you motivate other minority and women business owners. You are an inspiration to your families, friends and associates.

The Mid-Atlantic area is fortunate to have many flourishing MBEs who are outpacing other businesses in the current sluggish economy in both employment and revenues. Thanks to you, good paying jobs are available for the diverse population of people who live in our great State.

Thank you for all you do everyday to keep the dream of America alive for all our children. Best wishes for the continued success I know will be yours.

Sincerely,
